Dear Mr. Thompson:

RE: Ziegler Chemical and Mineral Corp., Ute-32 Mine, ACT/047/008
Uintah County, Utah

The staff has reviewed this proposed project and agree with the procedures as proposed by the Division of Oil, Gas, and Mining as long as the development is kept to the two acres that has been discussed. If expansion goes beyond this two-acre area, we recommend a survey be conducted.

If you have any questions, please contact Wilson G. Martin, Preservation Planner, Utah State Historical Society, 603 East South Temple, Salt Lake City, Utah 84102, 533-5755.

Sincerely,

Michael D. Gallivan
